TO WHOM IT MAY CONCERN

This is to certify that **Taskplete** has successfully designed and implemented a comprehensive **Enterprise Resource Planning (ERP) System** for the **Somali National University**.

The ERP solution developed by Taskplete covers the following core modules:

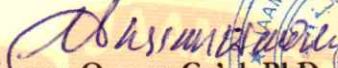

1. Human Resource Management (HRM)
2. Procurement and Logistics Management
3. Finance and Accounting Management
4. Asset and Warehouse Management
5. Document, Archive, and File Management
6. Library and Learning Resources Management
7. Student Admission Management
8. Academic and Examination Management
9. Other related modules tailored to the University's needs

The system has greatly enhanced efficiency, transparency, and coordination across various departments of the University. Throughout the development and implementation phases, Taskplete demonstrated professionalism, innovation, and strong technical expertise.

We are highly satisfied with their services and confidently recommend **Taskplete** for future projects requiring ERP systems, enterprise solutions, and digital transformation.

Should you need any further information, please do not hesitate to contact us.

Sincerely,

Prof. Hassan Osman Ga'al, PhD
Rector, Somali National University
